“ *Love and prayers to all the family. Ada has been in our family for as long as I can remember . I can remember her helping our softball team years ago selling fried pies. We where in her kitchen with her by our side showing us how to make them. Just one of many many memories and she will be missed by all. Joyce Sartin Perry*

So broken hearted. Our loss, Heaven's gain. We love and will miss Aunt Adie (Ada) very much. So thankful for all the memories that I now carry in my heart. Heaven's sounding sweeter all the time. Gone too soon but not forgotten. Until we meet again, you're forever in my heart.

“ *Audie, Betty and Grandkids, I love Aunt Ada and I am so thankful that I was able to visit with her in July. She was so frail, but managed to smile. She liked having her picture taken. My heart goes out to all of our family. We have so many loved one to pass in the last few month. My prayer are for peace & comfort in this time of need. You know where she is and now at peace. Wish I could be there in person, I will be in prayer. I am really going to miss her. Lots of Love, Niece Barb=Bobbie Ellen Johnson.*
