Tricia, I don't have any words to say that will make you feel any better or make the pain go away. I can't say that I know what you are going through, b/c I don't, my heart breaks for you and your family. Just know that I am praying for you, and thinking of you. There is hope of seeing Aleeyah again one day. I love ya, and if there's anything I can do for you, I'm here.
