“ I have such wonderful memories of the Ledson family as we lived among them! We weren't family, but you made us feel that we were. Even after we moved away, we felt like your family in the ways you greeted us and took time to chat. Thank you for inviting Mother to your family reunion. She came away feeling uplifted and excited to tell me about those costumes! Will never forget Alleen's beautiful smile. I lost my Mom last July, so I know how hard it is to let go of your Momma. She will live on in through all of you who are her family - and in my heart always!
Sending love and prayers for comfort, Donna

“ Alleen, was a great lady, always happy and smile on her face. She was a very kind and sweet person. I can remember the 1st time I meant her, I called her Mrs. Ledson, she replied just call me Mamaw from that day forward and even after high school I still called her Mamaw. I was so lucky to have known her and for her to be apart of my life.

We are so sorry for you lost, our prayers and thoughts are with you thru this difficult time. My God easy your pain and sorrow and give you peace. RIP Mamaw
