“ My Aunt Amy had a boisterous laugh. She loved telling stories.

I remember her buying my first bathing suit.

When she would come in from Ohio, when I was a little girl, she would bring her miniature black poodle with her. Now to a little girl that was only used to outside hunting dogs that was special. She had a red bow on it and it's paws were painted red.

In her younger days, she loved to travel. She loved her purse, outfit and shoes to match.

You will be missed. I loved you the. And I love you now.

Your, niece.
