“ I have many years of memories, they are all wonderful. Memories of listening to music and singing along. Ang had a beautiful voice, I loved to hear her sing. I will think of you from time to time, sometimes I'll cry and sometimes I'll smile remembering you and what a beautiful loving sweet good hearted person you were . I wasn't ready for you not to be around. Although we didn't see each other as much as I would have wanted to, every time we did was a good time. You may be gone but you will NEVER be forgotten. I miss you already. I love you Ang
