“ *Ann you will be missed by all of your family. I keep thinking of so many things about our family life and all the fun we use to have. You was a wonderful cousin. I am glad I have those special memories of you. Never forget spending time at your house and then later in life you spent time with me and my boys. Last night, I couldn't get you off my mind. Remembering your voice, your laugh, and that one of a kind smile. I thank God that He put us in the same family. I remember you and Vickie being being so close. She has always been there if you needed her. You was not just her cousin, you was her best friend. I remember the day you and Roger got married, how happy you both were, the two of you bringing Jessica and Little Roger to see Grandma as well as us. I will miss you even if i didn't see you as much as I should. Love you my dear cousin. RIP.*
