My memory of Scott is his and Denise's wedding day Joe and I help them get their wedding party ready fixing here trying to make everything perfect for their wonderful day Denise was beautiful bride and Scott was a very handsome husband they both were so young and I was so excited to be the one to help Denise get ready to take her walk down the aisle to marry Scott until now that they have been together for the last 29 years I love both of them with all of my heart and I pray that God will cuddle Denise in his arms as long as she needs him to help her through her loss I love you Denise with all my heart if you need me you call me day or night love forever your aunt Delena
