“ Arthur was a very special buddy of mine, we went to church together and from the first time we meet, he treated me like I was his own. Every time I saw him I knew he was going to give me a big hug and ask how me and my family was. I have so many memories of Arthur and feel extremely blessed to have been apart of his life. I will never forget him and will miss his hugs and calls. My loss is heaven's gain and I will meet him in heaven someday!

Arthur was my uncle, and I remember for the way he looked after my mom when she was in need. He was responsible for urging the doctors to do the exploratory surgery that saved her life when she was 18. He helped her get a car, Jonathan, the blue maverick, when I graduated from high school and started working in downtown Columbus. I hope Deb, Jim, and Teena will be comforted by many wonderful memories during this time of mourning. God bless you all. Donna Jarrell
