“ *The very first day Ashlee and her family moved to Hurricane, WV is the day we met. I was riding my four wheeler around our neighborhood and Barbara stopped me. She said my daughter also has a four wheeler and wanted to know if I would show her where I rode mine and off we went. We spent countless hours riding four wheelers, playing Barbie dolls, playing house, staying up all night, highlighting our hair, camping, swimming, you name it we did it. As always time went on we grew up and apart, but you never forget the the innocent years. Ashlee, we haven't spoken or seen each other in years, but I'll never forget the time we spent together. My thoughts are with the entire Marcum, Robertson, and Pinson family in this very difficult time. Sarah Finley Hurricane, WV.*
