“ I will always remember Uncle Harrison and Uncle John David taking my sisters & me (we were little) to the swimming hole and then to Zattoo's (sp) for pop and candy before supper. They told us that we had to eat all of our supper or they would get in trouble. lol He also drove me to the hospital when I broke my arm while visiting the farm when I was nine years old. These are just a few of the memories I have of this great man!
