“ *She will always be Mamaw to me. I loved her and Poppy like they were my grandparents. I learned a lot from them. I loved how they were together all the time and how much they loved each other. Hard workers and strong morals. Always good to people. Mamaw had a lot of patience. I would watch her fold towels, clothes, or whatever and it was perfect, no matter how long it took her to do it. I never ever saw her get in a hurry. She seemed to have no worries but I know she worried about things, especially her family. They both loved their family!! I feel blessed to have known Mamaw and to have spent a lot of time with her. I will surely miss her and her kindness. I know Poppy is glad to have her Home. 💔☐*
