“ *My Dear Sweet Bertha, there is just so much I could say about her but the one thing that I know is that she was such a wonderful example of what a Christian should strive for. Her hearts desire was to be In church. She loved going to worship, she was never ashamed of loving The Lord and was a very proud servant of his. I loved her so much and will mis doing her hair, spending time talking with her and I look foreword to seeing her in heaven some day.*

“ Was so saddened to hear of the passing of this dear old saint of God today. I was in church at the crum seperate Baptist where mrs. Bertha's caretaker Martha Copley regularly attends for my dad's monthly preaching appointment when I heard of her passing. She and my 90 year old grandmother Rosa Fields were great friends and loved going to church together for over 50 years. She wasn't the same the rest of this night. I will miss sister Bertha's smile and shout but mostly the love she showed me over the years. To her family I leave you these words To be absent from this body is to be present with the Lord. For God himself shall wipe away all tears from their eyes and there shall be no more death neither shall there be any sorrow or pain for all former things have passed away and he that sets upon the throne declares behold I make all things new. For the Lord shall descend with a shout with the voice of the arch angel and the trump of God and the dead in Christ shall rise First and we that are alive and remain shall not prevent them but we shall be changed in the moment of the twinkling of an eye called up to meet the Lord in the air and so shall we ever be with the Lord. Therefore comfort ye one another with these words. May the peace of the Lord Jesus Christ be upon you and may he show you mercy and grace in your time of sorrow. Love. Bertha's little song bird.
