“ *Mrs. Fields was my first teacher. Kindergarten and 1st grade. I don't know if she ever knew how big of an impact she had on my life, my choices, and the shaping of my personality and values. She always inspired me to want to do better, work harder, put in my best effort. She looked part academic and saw me. She saw the good, the bad, and the ugly and chose to look at you the way God does... as the best possible version of yourself. I wish she could've met my children. I hope she knew how much I love her. I hope I get to meet her again in God's Kingdom and term her all this in person.*
