“ *My Aunt B. known as Sissie Billie was one of the dearest people on this earth. She truly was like a second mother to me. She has been very much in my life since my very beginning 71 yrs. ago. She loved her children so very much. She was truly blessed to have her children and her children blessed to have her loving caring guidance. She brought so much fun to our extended family. RIP dear Aunt.*

“ *I have always loved Sissy Bill. She was a true Lady. It is comforting to know she is with God now.*
