*He was a kind, gentle, sweet man that had a wonderful laugh. He loved his family, friends and enjoyed just spending time with them when ever he could. You will be missed but you will live in many hearts for a long time to come. I believe that God needed a very special angel and called him home. Prayers for all of Bodie's family and friends you are in my thoughts and prayers.*

“ *We are sorry to hear about the loss of cousin Bodie. The last time my dad and I were down there we stayed with Bodie. He was a very humble and kind person who would have given the shirt off his back to a stranger in need. I enjoyed the time I spent with you Bodie and I thank God that you are in a much better place with no suffering or sadness! You will be greatly missed!!*

*Bodie along with Leonard Samples were some of the first friends I made a Buckeye Steel back in '72. Julius came along in that time too. We were the closest of friends for 10 years then came a layoff and I lost touch with all of them. Last year I reached out to Judy on facebook to see where Bodie was. She gave me his phone number and we got to talk to each other several times over the past winter. I regret not trying to go and see him this past Spring. One thing I'll say, he told me about Darlene passing away and about going to church. He was a changed man. I'm glad to have shared those 10 years with Bodie and Julius and Leonard at Buckeye.*

*Bodie will be missed by so many. He was an awesome all around funny guy, but could be just as serious. What a wonderful brother in law you were to Leonard and I. Introducing you to Darlene was the best thing Leonard samples did for his sister Darlene. Love you Bodie. For sure you are now back with her.*
