“ *Some people leave fingerprints on your life in the most permanent way. My precious aunt, Bonnie Jean, is one of those people. Throughout my life, she was always there, steady, loving and constant. She was my No. 1 fan in the purest sense of the word, in a way that never wavered. The kind of support that makes you feel braver, stronger, more capable simply because someone like her is in your corner.*

Bonnie's love was a gift that shaped my life more than she probably ever realized. I will always carry her love, encouragement and presence in my heart. I am so grateful for her, and I will miss her deeply.

My deepest condolences to her family and loved-ones. You are in my thoughts and prayers.
