“ Brenda was my sister in law for alot of years. And I love her dearly. I saw her last at the funeral home when her brother Doug passed. We had a good talk, and she told me I would always be family. And she loved me. I love her too. Her mom Betsy was so proud of Brenda. She always wished she could be with her more. Maybe now they are reunited in Heaven forever. Brenda was a proud momma of her two girls, Paula and Teresa. And she had good reason to be. It breaks my heart that they've lost their Momma. I love you girls! And Brenda, I'll love you forever. ❤️

“ Words cannot explain what a friend Brenda was to me . We shared many secrets in the many years I knew her . She knew and I knew it would never be told . I always admired her she always looked so nice any time you saw her. she was my walking partner we loved it we walked over a Mile a day . I know of one time she got mad at me she wanted to take me to Myrtle Beach but I got a job I had to take and missed the trip . She was s little angry that time . I enjoyed my times with her in church for many years . God blessed her through many hard times .he kept her safe and I thank him for that we had such a good talk two hours last week at the hospital . I never saw her again but someday maybe not too long away we will meet again in our Heavenly home. What a wonderful meeting that will be . One more reason to see my sister to want to go to Heaven I was so sorry I couldn't set with the family while she was passing but I just could not handle it . You can only do what you know your body can handle . I prayed for her and the family continually. I love you Paula and Teresa plus the rest of the family . May God bless you. She told me she hoped she could be a good enough Christian to make all of her family want to go to church . I assured her she was . Prayers always for this family

“ I will always remember how gracious she was to my own mother. My mom, Anna Mae, wanted to see Brenda so we loaded up the car and took the 3-4 hour trip to KY from Ohio. We took a little road trip the following day and Brenda refereed me and my mom when Mom critiqued my driving skills. She reminded I was blessed to still have my mother with me. I was so blessed to have known her.
