“ *My son Andrew W. Goble and Eric set sail in a John boat on the Levisa at Prestonsburg one afternoon. The phone rings. It is Brenda. She is worried about Eric and Andy. “Melinda, what are we going to do! They should have been back by now!” Brenda was soooo upset. So here me and Billy go standing on bridges watching for the boys to float by. Hollering their names. It was getting dark when they came to shore at Paintsville. Embarrassed the boys to have a Mom hollering for them, I am sure. It showed how much Brenda loved for her boys. You cannot turn “worry over your children” off. She was always sweet to me and I loved her voice. God bless the family left behind.*
