“ Some of my fondest memories are of my summers in West Virginia and hanging out with my cousins Russell, Brent, and Bridgette. It was always an adventure be it at the lake water skiing or in pawpaw's orchid. Other times trying to scare each other when we would spend the nights and have sleepovers. I will hold you in my heart cousin. I am glad that you are no longer in pain. I know heaven is gaining what we are loosing. Until we met again you'll always be that boy who adventured with me. I will be looking forward to adventuring with you in heaven one day. Tell daddy I love him. Mawmaw and pawpaw and uncle Stephen too. I will see you all one day.

Sending positive thoughts, love, and prayers for the family/friends that our Heavenly Father will wrap His loving arms around you, giving you comfort, peace in your hearts, and strength/courage for these days and those ahead. Brent, as a student at Southern, was such a fine young man who left an imprint - the kind you would have enjoyed a whole classroom full just like him!
