

Brian Eugene Fraker

February 4, 1973 - January 24, 2024

Brian Eugene Fraker, 50, passed from this life surrounded by loving family members on Wednesday, January 24, 2024 at Pikeville Medical Center in Pikeville, KY.

He was born in Columbus, OH on February 4, 1973. He was the youngest son of the late William Fraker and Delphia (Newsome) Fraker. He was preceded in death by maternal grandparents Floyd and Louise (Rose) Newsome of Kermit, WV, paternal grandparents William and Nancy Fraker of Marysville, Ohio and Florence (Reeves) Fraker as well as many aunts and uncles.

Brian is survived by his wife Rose Fraker of Columbus, Ohio and two sons, Brian and Evan as well as three siblings, Betty Jean (Bill) Montgomery of Somerset, KY, William Floyd "Will or Billy" (Tami-Remly) Fraker of Pataskala, OH and Michael Allen Fraker of Somerset, KY. He is also survived by a dear aunt, Jewell Sammons, Kermit, WV who was like a mother to him as well as first cousin, Denise Sammons, Kermit, WV who was like a sister to him. He also has many special nieces, nephews, aunts, cousins and special friends who will miss him in Kentucky, West Virginia and Ohio as well as his "porch party" crew from Kermit, WV.

Besides his sons little Brian and Evan, Brian's biggest accomplishment in life

was when he committed his life to Lord on August 29, 2021 in the presence of his sweet first cousin Angela Crigger. He was baptized on September 5, 2021 in the presence of his Uncle Lloyd Brewer and many others in his first cousin Annetta Crigger's front yard in a swimming pool because the weather did not cooperate that morning to be baptized by the river.

Brian was an avid Dallas Cowboys fan and never missed a game. Brother Mike is an avid Washington Commanders fan. This made for interesting times when those two teams played against each other and Brian and Mike watched the game together. Brian and Mike grew up playing cowboys and Indians and this friendly rivalry bled over into their adult lives as well. They even made up their own language and names for each other with one being Kottie and the other Scottie. Only they knew their code language and we never figured out how they came up with those names.

Funeral services will be held in the Warfield Chapel of the Callaham Funeral Home in Warfield, KY on Saturday, February 3, 2024 at 12:00 noon with Robbie May officiating. “ I remember back many years ago when Brian & I was sitting at my sister's kitchen table up in Columbus Ohio we was playing cards my sister kept leaning back in the kitchen chair both Brian & I told her she's going to lean back in it and fall through the closet door and she did me and Brian laughed so hard we had tears coming out our eyes . I'll never forget our time at buckeye lake with the boy's Brian and I carved our initials in the picnic table which is still there and our time out at the pay lake with his Brother and sister in-law we were all fishing while the kids played so many memories I could go on and on I miss you Brian and I'll forever cherish and hold on to those memories they are all I have left of you now we made a lot of memories together and I know I'll see you again someday til then fly high with the angels and I'll see you on the other side.
