“ *RIP Aunt Cob - Uncle Curt is blessed with you being with him now. You will be sorely missed here on Earth. -- Love, Trisha*

Trisha Cox - January 13, 2018 at 09:55 AM

“ *I remember Cob and Curt from when I was 16 years old and married Cob's brother Orvell Lee. She and his mother and sisters took me in and taught me how to cook and take care of babies and the many other things a young wife needs to know. She and Curt had this amazing relationship where they played together and worked together in other words they loved each other more than anything else. They loved me like a sister and I loved them right back. They have been with me off and on all through my adult life even though my marriage to Orvell Lee didn't last. Curt and Thurston and other friends and relation often came here to my mom's farm to hunt deer and squirrel so we remained friends all through my life. These last years since Curt passed have been hard for her, she missed him terrible. I like to think that they are united and playing chase and him picking her up and swinging her around and her yelling "Put me down!" laughing and having fun together just like they did when both of them were young and healthy and so much in love..*
