“ *Cecil was a great attorney and a wonderful human being! When I was a new attorney in town, he was one of the few I felt comfortable asking questions about the nuts and bolts of the local practice; he was generous with his time and truly cared for and helped his clients. He cared for the arts council and worked for the betterment of his community. He never sought the limelight, but could easily have attained it had he cared to. I am so saddened to hear of his passing and my heart goes out to his family.*

“ My husband pastored First Presbyterian for eight years. He said that Cecil was the best music director of all the churches he served. Cecil made the music an integral part of worship, integrating it perfectly into the scriptures and the sermon. In many ways he was the heart of the church. He will be missed by everyone in the community. He was a wonderful person.

*Cecil was a long time family friend. So sad to hear the news. He especially loved my mother, Phyllis May who was a very dear friend to his mother, Mary Lou. The last time I had the privilege of speaking with Cecil we shared a few memories of our mothers and their bond. He also shared a few stories about a road trip adventure he took with our mothers over 45 years ago. Please know the family is in our prayers, Linda(May) Smith and David*
