“ I didn't know Charlie that well but I met him a couple of times and he seemed to be a good person. I know his family loved him so much and I know Jamey,Brad and Summer are going to miss him they loved charlie to the moon and back and a lot more. Wish he had more time with them but there will be a day when Charlie and his family will be together again until then he will rest and then when he wakes there will be no more heartache, pain and sickness. We have such a great God to prepare a place for all of us to be together with only love and no wants for nothing. Praying for Sandy,Alvin and all the kids. ❤️broken_heart:
