“ *Sherry, Steve, Heather, Michael, and all the family; I am so sorry for your loss. She was truly a very special lady. We were praying that you could all have more time together here but that was not to be. We are so thankful that Jesus Christ made the way for us to have forever together. God bless and keep you through the times ahead. May He give you His peace and strengthen you like no other can. I love you. Homer, Rosemary, Lisa, Amy and Dylan.*

“ My condolences go out to Christine's family and friends. A classmate and dear friend, Christine and I shared many bus rides from Marrowbone to Kermit. Christine always saved me a seat on the bus, and we often talked and studied together on the long ride to school. After my college days, I had the good fortune to teach many of her children. She was such a good, kind person. I thank God for my knowing her and her family.
