“ *My love and prayers are with you Anna. My memories of Clarence are really good. We work together for Marcus and Marlene for about five years. He had to be one of the most kind and understanding people and such a hard worker. The world needs a lot more men like Clarence. My prayers are with you Anna.*

I loved Uncle Clarence SOOO very much. He was an expert gardener and I loved sharing our garden stories (and garden food), it really tickled me to death when he once planted his beans on poles sooo high he had to stand at the very top of the tallest ladder he had to pick them and he STILL couldn't reach the top of those bean vines. I have 2 pictures of that. I LOVE it! Best gardener I ever knew! I LOVED getting in his big patches of mustard greens every year to put in my deep freezer. He sure will be missed. God Bless you Aunt Annie and Doug! I love you all of you!
