“ I am so sorry that i did not hear about Connie' passing sooner. I only found out after the funeral had happened, late Monday evening. She was a friend and classmate of mine. We graduated together from Crum High School, class of 1965. We had several reunions and i would see her at the grocery store and we would talk. Our class was special and we tried to send something to the funeral in memory of our classmates who had passed, that was usually me. I am so sorry that we did not know in time to do so for Connie and her family. I would like to get Jody's address and at least send her a nice card. May our God and your pictures and memories help comfort you, through your great loss. Ursula Maynard Dingess
