“ *Cynda was one of my Kindergarten students in Columbus, Ohio. I remember what a dear, sweet, and precious girl she was. She was always smiling. When she was 21 yrs old, she visited me while she was back in town. We had a wonderful visit and we exchanged Christmas cards over the years. She dearly loved her family and was so proud of her daughters and grandchildren. It was nice to keep up with her on Facebook. I am so sorry for her loss. I will never forget her.*

“ My dearest mommy i don't have any pictures on hand. Cause you kept them all on your phone. Which ill get later off there. But you were the absolute best thing that ever happened to me. Without you and dad together I wouldn't have had a life. You gave me so much knowledge and I counted on you for everything. Your grandbabies are hurting and they love you so much. I wish things were different but I know your not hurting anymore. I just want you back so bad. Daddy I love you and I'm always here for you and just a call away. I'm so sorry..... mi Madre te amo mucho
