“ *I got to know Dave when he was in middle school. I was a young teacher and he was one of my students. He was also one of the managers on my basketball team. I've known him throughout his life and he was always the same fun, caring and loving person .He was such a great guy and never said a bad word about anyone . I'll miss you Dave . I'm glad we got to reminisce a few months ago at the old Dairy Queen in Inez.Prayers to the family during this difficult and trying time.(If my memory serves me correctly,Dave made a point during that conversation to let me know how proud he was of his kids and how he loved watching his older daughter play softball.*

“ Bro David its hard for me to believe you are gone and mind is torn and my heart feels as it been ripped out
I don't really have the words to say about my precious Brother who was my friend in Christ
We shared so much together as Solider's for the Lord and met many places
We made nick names up for one another (You was Silas and I was Paul
We always told each other when we met at church Let one do the singing and the other do the preaching) Many blessing we shared and hugged we surely embraced
I remember the time you came to my home here in Spewing Camp and How the Sun was shining that day after you and I and my Wife knelt to pray and You began to sing and Old song of Zion
How though I am deaf I could just about feel the birds where singing along with you
Now that God has called you home I believe and feel in my heart you are singing with the Angels
I will forever in my heart hold on the memories we shared together as Brothers and Friends in Unity (Love) for Christ ! I Loved you Bro David with all my heart and as young Brother in the Lord I remember the first time I had heard you sing and How the tears rolled down my face and that something I will always cherish and I know I told you this many times You was my best friend and was there when I needed you
You where and inspiration to me ~ But as we both said (We will meet each other in Heaven where Life will be forever . Rest in the arms of Jesus
Love Elder Abe Howell .
Death itself can take away a lot in our lives but never can it take a way Precious Memories Its a gift given of God ~
