“ *This is a nice memory from over 30 years ago. You were at your Moms a couple of times, when I stopped in to do Home Health for her from Lake Cumberland, out of Sommerset, KY. She was making blackberry dumplings. And insisted I sit down and try them. Those were the best I ever had in my life. She was so sweet. And you were always very kind. Prayers go out to all your family and loved ones. God Bless you all. You will all be together again some day.*
