“ *Words cannot express our loss. I miss her terribly already. There is no way our family will stay informed about each other as we once did. She connected our worlds. Hopefully one day all our worlds will connect again with her forever in heaven. She loved each and every one of us. Family, Jesus and food were her favorite things in life...perhaps not necessarily in that order!!! Family, let's pay Aunt Deane the best tribute we can---lets pick up our phones from time to time and check on each other. My love to Aunt Deane and the whole White clan.*
