“ My sympathy to all of her family, Known her for years. Used to walk home with her sister Helen from Crum school. I would then walk through Doris and Ed's yard, go down the hill to the river and go across in a boat, climb up steps on the other side and walk to our house. I know she will be missed by her loved ones. May God bless all of you. Her Mother lived right across the river from us, and even though the river separated us, she was our neighbor.
