“ I send my sympathy to Mrs. Parsley and to all who loved Mr. Parsley as I did.
Mr Parsley was by far the best math teacher I ever had. He played a major role in encouraging me to go to college and to become an electronics engineer. Without some of his special efforts to teach me trigonometry, I would have been behind in my first year of college. One is privileged to know just a few great men in life, Mr. Parsley was one of these men. His willingness to help and his kindness and goodness stood out. After graduating from college and moving away, I had the opportunity to talk to Mr. Parsley and to Mrs. Parsley on a few special occasions, such as the last time I saw them in Kermit in 2016. Mr. Parsley's recall then, as always, was fantastic. His knowledge, wisdom, and ability to communicate, along with his personality made it a joy to talk with him. I, for one, will always remember him.

“ Thoughts and prayers to Mrs. Parsley and the family. I had Mr. Parsley for classes at Lenore High School. He was a great teacher and a very meek and humble man. He will be remembered for his influence on many young people through the years.

“ *I had the pleasure of having My. Parsley as a teacher at Warfield in the 1950"s. He was an excellent teacher who cared for his students. I needed a class to graduated and he suggested that I take bookkeeping by correspondence. That is the reason that I became a business teacher. RIP*

“ *My sincerest condolences to his wife, Margaret, other family members and friends. Mr. Parsley was a first class act both professionally and in his personal life. The many young lives he touched and inspired are a perfect example of the type of man he was. May you soar high with all the " little birds" in Heaven and rejoice with our Saviour, The Lord Jesus Christ, and all your friends and loved ones who are jubilant at your arrival. *A truly first class teacher and one of the most decent and honorable
men I ever knew . The world is a lesser place now without Mr. Parsley .
I have to agree with my classmate Ida Gail's statement "we were all his
birds" ! He was a great educator and he set an example of all how we
should all conduct ourselves in this life ! My sincere condolences to all
his family and friends. He will be missed !*
