“ *Scott is in a lot of my favorite childhood memories. He would always come and get us and take us for a ride on one of his four wheelers or whatever piece of machinery he was working on at the time. I will always cherish those memories and remember what a great cousin he was to me. He always had a smile on his face and an easy stress free persona about him. Breaks my heart that he is gone way too soon and the world could use more people like him with a friendly smile that he gave to everyone.*
