“ *Troy and Ursula Dingess sent our love, sympathy, and prayers to all the family for their loss of their precious loved one. Some of you I went to Crum School with and you became extended family when your brother (Homer) married my sister (Rose Mary). May our God and your pictures and memories bring you comfort during the very difficult days ahead.*

“ *The way we humans view things, Ed was taken from this world way too soon. However, in the time he was here, he left many many footprints. There are way too many memories to just pick one. Anyone who ever really knew Ed loved him, and had many good things to say about him. He will be missed beyond measure. My prayers will be with you Cathy, Birl, Katrina, Bertha, Virgil, all the grandchildren, and anyone who loved him. I pray God gives you the comfort and strength you need now, and in the rest of the days to come. I love you. Rosemary*
