“ To all the family of one of my all time best friends this is Keith Muncy. I knew and grew up with three of mrs sartin's grandchildren and then was blessed to have her as a teacher during my 5th grade year. She loved, lived, and sang for the lord and was one of my sister's basketball coaches when they won the mingo county championship for three times. She was also a dear friend and neighbor to my grandmother Polly Canterbury Johnson. I will never forget when she sang at my mamaw's funeral. She was truly sad but still wanted to honor her friends dying request. She will be surely missed by myself and all my family. She was a light to many and now her work is finished and her joy has just begun. I can hear her and make singing together in heaven. she always wanted me to sing on heaven's bright shore at her funeral and I hope the family will honor her request. God bless you all and know that Elizabeth or as we called her snookie is in a place of no more suffering. Keith
