“ *Dear Pam, I think you had the most precious mother there could ever be. She was such a gentle soul and a loving person. Will always have those precious memories of all the times Ray, Linie and you came over each year and made that day a special day for all of us kids growing up and then all of the reunions we were all part of. Thank God for the memories that we are left with. My heart goes out to you and your family at this time and we are praying for all of you. Sending all our love.*

“ Pam, Ralph, and all other family members. May God comfort you as only He can, and overshadow you with His peace. May your precious memories of your loved one give you comfort as well. I believe she was well known for some very good pies!!!! Her work is now over. To be absent from the body is to be present with the Lord.

“ Pam, Ralph and all the family; our prayers are with you during this time of our loss and Heavens gain. We truly believe she's there waiting until we all join her. I don't believe it will be much longer. Her battles, pain and suffering are all behind her and before her is everything wonderful. May God comfort you as only He can. Our love in Christ Jesus' name, Homer, Rosemary and family
