“ I was one of her students, she taught me in the 3rd grade at Crum Elementary School. That would have been the year of 1965/1966. My name is Martha (Romans) Profitt. She was my favorite teacher in Elementary school. A very sweet lady. RIP Mrs. Bowen.

“ I've known her just about my whole life. She was definitely a good person and a dedicated teacher. As such, she touched many lives. One of the things I'll remember most was how she loved to sing. She loved the Lord as well, which was the most important of all. My prayers are with her loved ones. Rosemary(Maynard) Salmons

“ She was one of nicest teachers there ever was. My sister had her as a teacher at the old Warfield Elementary. She was there many eyes. Always was smiling. She called Me Tammy all the time because she thought I was. I told her a couple times but she would forget so Tammy I was.
