“ I use to babysit Ernie when I was 13 years old. We go a way back. Worked together on cars. We love Ernie and Maddy and their beautiful girls.

“ Ernie was a good friend good man me and Ernie went all through school together. Grew up fooling around with these old cars switching parts trading parts and talking about life in general. See you on the other side where all the former things have passed away all things will be new. We will be with JESUS IN THAT BETTER LAND.
