“ I miss you so very much! And miss you daily and nightly. Madison and I don't know what to do now that we don't have you to keep us busy were lost without you, but I can hear you saying ' take care of Madison ' so for you I will. Even tho I don't feel like moving from my bed, but it's gonna take time. Just always know you was the best mother any child could have . I have the best. For now I'll say goodnight my mom and best friend but I know you and daddy are together again I had the best in both of you so if I never told you that I'm sorry but you and daddy were the best..I love you both always💕💕💕💕😘
