“ This lady taught me how to laugh when I was a kid. I use to think she should have her own TV show, along with many other relatives. What a great, funny and wonderful family we have/had. Fannie was such a big part of that. Talking every morning on the phone for years at 5 a.m. with Mother and Fannie. I will always remember our trip to Florida and how Fannie would tell me how she trusted my driving. That meant a lot. Again so many funny stories, most I couldn't put on here. I loved teasing her and making her laugh over things she didn't want to laugh about. Gone but never good bye.
