“ So sorry to hear of your loss. The last time I chatted with Gail on facebook, she told me about having cancer. She told me that she was ready to go any time that God was ready. She is resting now in the arms of Angels and we can't be sad because she is where she has longed to be for a long time, in Heaven with God. I pray that God be with you as you face the days ahead and that He will give you peace and comfort. God bless each and everyone of you.

“ *I don't have the words to express my love for you! You loved me like your own for 32 years and I loved you just the same. You gave me the most important gift of my life, your daughter, my best friend. You welcomed me into your home, your life and most importantly your heart. I can't even remember a Christmas Eve that I wasn't with you. My son has spent every Christmas Eve of his life with you, and we will carry on that tradition with dad. Thank you for my lifetime of memories. I will love always and forever, mom. I will do everything in my power to keep the promise you asked of me. Watch over us all. Love you.*
