I just remember the way my mom "Rachel Gillman" loved Flo. Flo was a wonderful and gentle person who loved the Lord with all her heart. R.I.P. Flo, you are now in the arms of your Lord.

“ My heart goes out to Laura and Gary, and all the family of Flo. They were blessed to have this wonderful mother, grandma, and friend. Flo loved her children and grandchildren, and she also had a special love for her church and all the community of Marrowbone. She never lost her love for her birthplace of Scotland. She was a wonderful mom-in-law to my brother, Nile Meade. Flo was my friend and extended family, I love and miss her. She came to visit me when I was sick, and she was fighting with cancer! But her heart and love was greater than anything, and she came to see her friend in need! What greater love than this, the putting of others before yourself. I could write a book on her loving heart, I will always love her, my friend.
