

Forrest Hinkle Jr.

March 8, 1958 - January 23, 2025

It is not length of life, but depth of life.

On Thursday, January 23, 2025 Forrest Hinkle Jr of Tomahawk, KY passed away at the age of 66.

The youngest child to the late Forrest and Della Hinkle. He did not take being the baby of the family lightly, he was spoiled and well loved. Something he never outgrew. Dedicated to his family after growing into a young adult he did not venture too far from home. He worked hard in the coal industry providing a life for his two children, Ryan and Danna. Through the years he would instill many values in his children; one of the most important was holding the flashlight still when fixing anything. His brothers and sister will remember him fondly. As time came along, he became papaw to Nikki, KB, Bella, Abbi and Mia. He was a proud papaw and cherished time with his girls. Forrest had a witty sense of humor and an eye for fixing cars. He never lost his childlike spirit and love for life.

Forrest was preceded in death by his parents, Forrest and Della Hinkle and two sisters, Diana and Shirley.

Those left to cherish his memory are his children, Ryan Hinkle (Natalie) and Danna Hinkle; son in law, Joe Muncy, who he loved as his own; two brothers

Mike Hinkle (Lisa) and Kelley Hinkle(Sharon) and a sister, Kathy Stepp. He is also survived by five granddaughters: Nikki, KB, Bella, Abbi, & Mia; along with a host of nieces and nephews and many friends and family who will miss him dearly.

Funeral services will be held at 3:00pm, Sunday, January 26, 2025 at the Callaham Funeral Home in Inez, KY. Friends may visit at the funeral home on Saturday from 6:00-9:00pm. Arrangements are under the direction of the Callaham Funeral Home, Inez, KY.

“ I can't help but remember that cute little boy Junie growing up. Always following Kathy and me when we were playing. Oh, how we gave him grief for wanting to tag along! He went undeterred, making mudpies and getting baptized, as we saw fit, but drew the line at paper dolls. I can still see his mischievous face, driving his pedal car at a breakneck pace, in his parents yard. I'm going to hold on to that. Godspeed Junie. ❤️
