“ *From the time I was a little girl up until now at 30 years old, the one thing that I have and will always remember about Aunt Francis was how funny she was even though I don't think she meant to be. Between her and Uncle Tim I was always laughing and having a good time. It wasn't too long ago we went back to Kentucky to see everyone and even with all that was going on she was still cracking me up. Those are the memories that will forever be in my heart. She will forever hold a special place in my heart, as I'm sure she will with anyone who has met her.*
