“ I am very saddened by this news. I was searching for her address and found her obituary. I was going to try to get ahold of her or family so I could possibly make a visit with her. I had seen her as a child, but had talked with her several times on the phone and I have letters from her packed away somewhere in my storage building. My daddy had visited with her and E.G. a few years ago, and took pics. She wanted me to come visit, but I was unable at the time. For family reading this, my daddy was Howard Lee Maynard and my grandfather was William (Bill) Maynard. Lafayette (Lafe) was my great grandpa. I still have a quilt that Aunt Peggie made for grandma and grandpa's beds. Aunt Peggie told grandpa and me that they were the last 2 quilts she had made, and I cherish them. I loved Aunt Peggie. Uncle Albert passed away when I was a child. I only seen him a few times. But had seen Aunt Peggie several times. Frankie had told me on the phone that I sound like her mother (aunt Peggie) on the phone, when Aunt Peggie was younger she said. So sorry I didn't get to visit with Frankie. If any family wants to contact me my email is dhubbard2@msn.com
