“ Charles and I are heartbroken. Mr.Prichard had high standards for the students at Crum High School, and I am sure through his diligence and leadership we became better young men and young women. Throughout the years, he loved to hear about our progress and was as pleased as any family member with each step toward success. Our love and prayers go to Veva, Julia, and the rest of the family.

“ May God give you, his family, His peace in the days ahead and your precious memories comfort your heart. Mr. and Mrs. Prichard (as I always called them) were two very special people, who were my principal and my teacher. They will long be remembered by all who knew them. I read all the comments about them, nothing negative was said. Great examples for all to follow, their footsteps leading to their eternal home in Heaven.

“ Mr. and Mrs. Prichard were both highly respected by the community and inspired many great educators like my mother. Words cannot express the gratitude for the selfless acts of kindness they have shown to many throughout their lives. One can only hope to inspire others and be such a positive influence as much as Mr. Prichard has.

I hope the family will find comfort by seeing the legacy and love he left behind.

The Prichard family is in our thoughts and prayers.

“ *Glenn Prichard was my second cousin and he was always so kind to our family. I know had it not been for Glenn and Raymond Haney, I wouldn't have gotten a teaching position so soon in Martin Co. Mom has been telling me stories about them growing up. He was very compassionate and kind. RIP.*

“ *I will always remember him coming to Crum Elementary the week before Thanksgiving break fully dressed as an Indian. The children loved to see him and his dog as well as all the teachers. He was truly a fine man, a man of God. His life was a witness to all that knew him. He has attended more funerals than anyone I know. He believed in paying respect to those that passed and to the family. This community has lost a great man but heaven has gained a wonderful soldier that endured to the end. God bless his family.*
