“ A lot of my memories are from when I was younger. My father, Grover Williamson, would bring us to visit our grandparents and cousins in the summer. Our cousins were always so happy to see us and spend time with us. Me being the youngest was always sent back to grandmas house at a certain time so the older cousins could hang out. I remember most Gracie's hugs!!! They were warm and strong. She was a very kind and sweet person. She will be missed. Love to all of our family.
