“ It's an honor to say that ur my mother-in-law & no matter what u always loved me & accepted me for who I am & not for who I was or what I done in my past..U was there for me through the hardest times of my life to encourage me that if I stay strong and pray that things would get better. Truth is we got better this past week we talked for the first time in a long time and to hear u say u loved me and no matter what I was family, ur daughter-in-law & to know that and to tell u how much I missed u && loved u ment the world to me. It's gonna be so hard with u gone and so many people are gonna be hurt but to know that u r in a better place and now u can watch over us brings a lil peace...love u Nan forever!!!..May U Rest In Peace my sweet, sweet mother-in-law!!!
