“ *Ida was one my dearest friends and she will be missed but forever in my heart! I hated it when they moved to Florida but that was season of change that we all go through! Ida was so carefree, loving, funny, and caring about others. She loved life to the fullest and she loved Gary dearly! I'm thankful that I was honored to be her friend! Thank You Father for my dear friend Ida! Send comfort and peace that surpasses all understanding to Gary and her family in the many days to come! God Rest High My Friend!* ”
