“ *To all the family of this dear saint of God I wish to say Mrs. Ida was a true inspiration of godliness and holyness in my life. I always loved to hear her voice and see her great big smile. She sang as she lived for the glory of God. May this lady fly to heaven escorted by all the heavenly hosts. I also wish to remind the family that precious in the sight of the Lord is the death of his saints. Her favorite song to sing was I want us to be together in heaven and I believe with all my heart she made it home for to be absent from this body is to be present with the Lord. There are not enough words to say about the generosity, love, and kindness this woman had shown me over the years. One of many more dear saints that I knew and loved to go home to be with God. May she truly rest in peace. Love. Keith Muncy*
